

**Anti-Human APOLIPOPROTEIN B**  
**(Polyclonal goat)**

|                         |  |
|-------------------------|--|
| <b>Cat. No.:</b>        | CA-052   |
| <b>Titre:</b>           | Depending on application this serum may be used at dilutions of 1:100 - 1:5000.                              |
| <b>Antigen:</b>         | Highly purified apolipoprotein B (lipid free) solubilised in SDS prepared from human donor plasma pool.      |
| <b>Cross-reactions:</b> | Identity with intact apolipoprotein B in human plasma when assessed by double diffusion and electrophoresis. |
| <b>Applications:</b>    | Immunoprecipitation, Western blotting and ELISA.   |
| <b>Form:</b>            | Untreated serum.   |
| <b>Quantity:</b>        | 1ml  |
| <b>Storage:</b>         | Store at –20 °C in appropriate aliquots  |

**FOR RESEARCH USE ONLY**
