

Antibody Against MMP-9 (Gelatinase B)

(Rabbit Polyclonal)

Cat. No.:	CA-1511A
Volume:	1 ml
Antigen:	MMP-9 peptide sequence specific
Cross reactions:	Non-reactive with other MMP's in IHC
Titre:	User system specific
Presentation:	In liquid, Ig in PBS, with 0.1% azide
Applications:	Immunoblotting, immunohistochemistry.
Storage:	For extended storage, freeze in working aliquots at –20. Avoid repeated freezing and thawing.

For Research Use Only
